At WORLDWIDE PROTECTIVE SERVICES, INC., we have established a group of **highly qualified and experienced investigative and security professionals** who are able to provide unsurpassed service to the most demanding of clients.

Our principal staff members are all former law enforcement executives and investigators who have **extensive “hands-on” investigative backgrounds**, each of whom have attained significant achievements during their careers.

Our **surveillance experts** have amassed a great deal of experience conducting operations in virtually every facet of law enforcement and will bring that same degree of **professionalism, integrity & experience** to your surveillance operations.

All of our operations are custom tailored to your individual needs. **We DO NOT utilize a “cookie cutter” mentality** when developing security protocols or assigning manpower. Each job calls for a specialized approach, and our management staff is well versed in designing the system that will best suit each individual’s requirements.

At WORLDWIDE, **you can be assured that your project will be handled by the principals**, and not meted out to junior associates. Our principals remain involved in your project from the inception to implementation and through completion, **GUARANTEED.**
